Kubernetes vs. OpenShift

—

Marek Sadowski, IBM
David Nugent, IBM

Agenda

Hi, I'm Dave

I'm a developer advocate for IBM in San Francisco. I also help organize:

– The SF JavaScript Meetup

– IBM Developer SF Meetup

– ForwardJS San Francisco && Ottawa

I participate in meetups, hackathons, webinars and write articles about technology for IBM and other organizations.
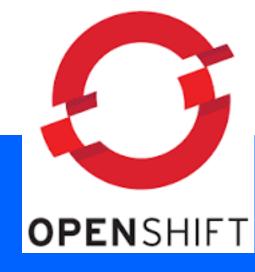

Java – Swift – Mobile – Containers – Serverless – AI (Watson) with Visual Recognition, Voice UI, NLU, ...

Rescue Scuba Diver – Snowboarder – Robotics

Kubernetes vs. OpenShift
